Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Cypress Grove The poems of William Drummond are familiar to readers of anthologies and to students alike, and with good reason, for as a Poet his place is high and assured. As a master of the sonnet form he ranks with Sidney, Drayton and Shakespeare; his prose is less well known. Drummond was born in 1585 at Hawthornden, his father s house overlooking the Vale of the North Esk. His is one of a small group of names, ruggedly termed autochthonal but peculiarly pleasant to the ear, whose possessors one likes to think were as lovely and pleasant in their lives. It includes Sir Thomas Browne of Norwich, Lord Herbert of Cherbury, and a few others. As country Scotsmen are so generally known among themselves by their home names Drummond s inclusion in the group is perhaps less remarkable, but with all is associated something of staid constancy, some suggestion of the simple and pardon able pride of home. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
