Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A special edition sequel to the NUMBER ONE BESTSELLER, The Sebastian Trilogy. This is not a stand-alone book and is best enjoyed having read the preceding books in the series. The Sebastian Trilogy. A life that wasn't what it seemed. Elizabeth Dove appeared to have a rich and rewarding life as a wife, mother and successful businesswoman. Secretly trapped in a passionless marriage, she risked it all to feel alive again. Fate led her to meet an enigmatic man and a dark journey of discovery. Following the mysterious death of his wife, Sebastian De Montfort shared his ancient manor with only his submissive maid, Scarlett. Elizabeth's arrival rocked his world off its axis as she was pulled deeper into his world of domination and buried secrets. Torn between his loyalty to Scarlett and his growing feelings for Elizabeth, Sebastian longed for a future he coveted but feared he would never deserve. Desires were meant to be fulfilled. Jealousy and betrayal lurked in the halls. History threatened to repeat. Penmorrow. Love, they say conquers all. That Elizabeth survived the events that unfolded at Penmorrow was miraculous. Penmorrow, the Cornish seat of Lord and Lady De Montfort, has now become a peaceful and happy retreat for Elizabeth and Sebastian. Life couldn't be any more perfect as Christmas drapes the home in swags of gold and fresh snow falls. Only one addition could possibly make life even richer and wishes are about to come true. Nothing could spoil a magical time. Nothing. No-one. Not now that ghosts were laid to rest and all was peaceful at Penmorrow. Or so they thought. I absolutely fell in love...
