Terrace Books, Madison, 2007. Hardcover. Book Condition: New. 256 pages. Hardcover with dustjacket. New book. FRANCE. Crossing the unmappable scrub of Corsica, on the paths of bandits and patriots. Brian Bouldrey traveled to the island of Corsica, with its wine-dark Mediterranean waters, powdered-sugar beach sand, and a cuisine and wines fit for the rich. And then he walked away from all of them. Bouldrey strapped on a backpack and walked across Napoleon's native land with the same spirit many choose to dance or drink: to celebrate, to mourn, to think, to avoid thinking, to recall, to ignore, to escape, and to arrive. This wonderfully textured account of a two-week ramble along a famous Corsican hiking trail with his German friend Petra (she was good at the downhill while he was better at the uphill) offers readers a journal that is a launching point for reflection: thoughts on cultural differences, friendship, physical challenge, personal challenge, and getting very, very lost. Part travelogue, part memoir, and part lampoon, this book offers readers an impressionistic view of a little talked about yet stunningly beautiful landscape. "Reading Honorable Bandit, you enter not just another country but also the secret door into Brian Bouldrey's head, and that is the real fun, living inside this wonderful, wonderful writer with his sly humor and infectious tenderness for the world. I smiled or laughed out loud at every page. As often, I was moved by the author's poignant meditations. I didn't want the book to ever end."- Sharman Apt Russell, author of *Hunger: An Unnatural History* and *An Obsession with Butterflies* "Bouldrey's language is beautiful and pitch perfect; his story is deeply moving, wrenching sometimes, but always funny and uplifting and layered with an exquisite care. Take this pilgrimage with Bouldrey; you will be a better person for it." ...
