BRAND NEW, The Illustrated Directory of Knives, Daggers & Bayonets: A Visual Encyclopedia of Edged Weapons from Around the World, Including Knives, Daggers, Bayonets, Machetes and Khanjars, with Over 500 Illustrations, Tobias Capwell, This is a visual encyclopedia of edged weapons from around the world, including knives, daggers, bayonets, machetes and khanjars, with over 500 illustrations. This is a visual encyclopedia of over 350 edged weapons from around the world from the Stone Age to the modern day. Each specially commissioned colour photograph is clearly labelled to show the significant features of each blade plus at-a-glance specification boxes give date of manufacture, country of origin and size. This title covers some of the world's most deadly and beautiful knives, daggers and bayonets, including fighting knives from Africa, the ceremonial kris from Indonesia, the double-edged Japanese ken and the distinctively decorated Indo-Persian peshkabz. It is written by a leading arms and armoury expert, a comprehensive volume perfect for both dedicated collectors and amateur enthusiasts. Since the first sharpened tools used by early man over a million years ago, edged weapons have developed and evolved into many forms. They are now valued as collectable antiques.

Reviews

This book may be really worth a read through, and far better than other. it was actually writtern extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.
