Along the way, there are common experiences we all will encounter, just as our parents did and their parents before them. Some experiences have happy endings; others do not. Through informal conversations the author focuses on the pitfalls to avoid and the experiences to anticipate with the hope that a sneak preview of Life will fortify the reader and help him or her to avoid repeating unnecessary mistakes; in other words, re-inventing the wheel. This item ships from multiple locations. Your book may arrive from Roseburg, OR,...
