

## Unbelievable: Why We Believe and Why We Don't

Filesize: 9.69 MB

### ***Reviews***

*Extremely helpful for all type of folks. It generally is not going to expense a lot of. I found out this book from my dad and i advised this book to find out.*

*(Melany Goyette)*

## UNBELIEVABLE: WHY WE BELIEVE AND WHY WE DON'T

I.B.Tauris & Co Ltd. Hardback. Book Condition: new. BRAND NEW, Unbelievable: Why We Believe and Why We Don't, Graham Ward, Why believe? What kinds of things do people believe in? How have they come to believe them? And how does what they believe - or disbelieve - shape their lives and the meaning the world has for them? For Graham Ward, who is one of the most innovative writers on contemporary religion, these questions are more than just academic. They go to the heart not only of who but of what we are as human beings. Over the last thirty years, our understandings of mind and consciousness have changed in important ways through exciting new developments in neuroscience. The author addresses this quantum shift by exploring the biology of believing. He offers sustained reflection on perception, cognition, time, emotional intelligence, knowledge and sensation. Though the 'truth' of belief remains under increasing attack, in a thoroughly secularised context, Ward boldly argues that secularity is itself a form of believing. Pointing to the places where prayer and dreams intersect, this book offers a remarkable journey through philosophy, theology and culture, thereby revealing the true nature of the human condition.
