Summary: This jumbo book is overloaded with inventive activities that take children on creative journeys themed to animals, nature, the sea, food, travel, and much, much more! At the center of it all are stickers galore that kids can use in all kinds of ways, such as: - matching animals to where they live - assembling a truck - making shapes - loading a backpack - planting a garden - decorating cupcakes - building a birdhouse - creating a beach scene The activities provide the prompts, but the kids provide the imagination. And because the stickers are reusable, youngsters enjoy a new experience each time they go back for more. They'll be having so much fun, they won't realize there's learning packed into every page!.
