Good Earth Publications. Paperback. Book Condition: New. Paperback. 314 pages. Chicken Tractor The Homestead (3rd) Edition This is the book that tells you how to integrate small flocks of poultry in with small farm and family food production. There is a back to the land movement and its happening in backyards and on small parcels of land all across the world. Chicken tractor systems have become so popular that the term chicken tractor; is a household word. This is the definitive book that leads the way to employing chicks gainfully in your homestead garden. 146 illustrations and photos give visual clarity to important information. Learn how you can: Raise homestead flocks for eggs, meat and money. Use chickens to create super-rich soils that enable hyper-productive gardens. Easily, step-by-step, process poultry at home. Build custom chicken tractors for your homestead. Make a straw bale coop for your flock. Understand how to select, buy and raise the best chickens for your goals. Chicken Tractor is a revolutionary, practical, hands-on book that has helped tens of thousands of gardeners create better gardens. It has changed the lives of millions of chickens all across the planet. Make chickens part of your self-sufficient homestead chicken have more plan. In a world full of theory and unapplied academics, Chicken Tractor shines as a sterling example of a practical prototype developed by dirt-under-the-fingernails, creative thinkers. The simple elegance in design and description challenge me afresh to smack my forehead and exclaim now why didnt I think of that! In our efforts to bring new paradigms to poultry production, we share a common vision, a brand-new ethics of excellence for proper models, delicious food and local profit potentials. Joel SalatinAuthor and World Famous Lunatic Family FarmerChanging climate patterns and chemically contaminated foods are making homegrown food incredibly valuable....
