

## Natural Series, of Arithmetic: Designed to Accompany the Natural Arithmetical Series, for the Use of Teachers (Classic Reprint)

By S A Felter

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Natural Series, of Arithmetic: Designed to Accompany the Natural Arithmetical Series, for the Use of Teachers In presenting this little work to his fellow teachers, it has not been the author s object to offer new theories or methods of the study of Arithmetic; but to compile exercises which may be used with advantage in connection with the Natural Series of arithmetics, and which enter more fully into detail than is possible in a comprehensive work on elementary instruction. He hopes by this means to give young teachers and others, suggestive exercises to aid them in preparing lessons for primary and other classes. It is not intended to relieve teachers from the necessity of labor or the exercise of ingenuity in arousing and strengthening the perceptive faculties, and in affording discipline and training to the judgment; but to direct their attention to the means which may be employed to accomplish this purpose. Each section of this work is prepared expressly to be used in connection with a corresponding; number of the Arithmetic of the Natural...
