Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Musket and Sword, or the Camp, March, and Firing Line in the Army of the Potomac The literature of the Civil War has been voluminous in its descriptions of campaigns and of the services of our great commanders. It has, however, been deficient in graphic portrayal of the characteristics of the enlisted men and their immediate leaders. The details of practical warfare constituting the every day life of officers and soldiers are worthy of full presentation and careful study. I have endeavored to faithfully depict types of the representative elements of our devoted army, and to record the opinions current at the front during the different stages of our prolonged contest.
