

## Business Men of the Bible: A Study of the Advance Agents of Trade and Commerce

Filesize: 1.04 MB

### ***Reviews***

*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Cosimo, United States, 2005. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a book for business men. It is not a book of sermons. It was written for those interested in the early beginnings of business. Some of the subject matter of this little volume is projected against the historical backgrounds of Biblical narratives. With all due reverence for the Great Book, the Biblical characters mentioned are reflected in the light of everyday life, as men who shared in their day the common life experiences of mankind, just as we share them in our world today. -from Business Men of the Bible This delightful and enlightening little volume of sermons reminds us that much of what we take for granted in the modern business world-from secretaries to labor unions, from the weekly payroll to planned economies-were not our inventions but concepts with roots that go back to the beginning of time. By looking at contemporary economic woes, which can seem wholly modern and intractable, through the prism of the worlds of ancient workers-the farmer, the merchant, the architect, the builder, the engineer, the artisan, the physician, the politician, the teacher, and others-Muir reminds us that the solutions are within our grasp. but that modern technology is not necessarily the answer. This is a timeless work of business philosophy. JAMES C. MUIR also wrote The Spade and the Scriptures.
