Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This 2015 Pick 3 All State Premium 3-6-9 Monthly Lottery Predictions book gives the Pick 3 Cash 3 Daily 3 Win 3 Big 3 lottery player the best way to narrow their all-state playsets down to just 12 winning combinations monthly, while simultaneously increasing the ability to score more straight hits in the game. Previously available only to 999 Lottery Players Club 34 members on a monthly basis, this new cheatsheet allows every Pick 3 online player to gain an unfair advantage by using the calendar to predict upcoming plays. Bonus playsets have been added to the print edition for those who want a wider selection of hot combinations to choose from each month. The 3-6-9 technology of this calendar-based formula allows players to use just 3, 6 or 9 combinations daily to score their straight (and box/any) hits throughout the month. Ama Maynu, alias SBIP999, started studying the Pick 3 and Cash 4 lottery games in the Carolinas in 2008. Since then, she has spent thousands of hours creating pen and paper lottery strategies and workouts to predict upcoming winning lottery draws. Maynu is the author of several popular lottery strategies and predictions books, and manager at the 999bookofnumbers.com/lotterybookstore. In 2010 she began formulating different workouts using the calendar, and found the calendar to be one of the most consistent and reliable methods of predicting winning combinations each month for all-state, online lottery games. Now you can access these 3-6-9 PREMIUM predictions for the year at a huge discount over the monthly Club edition.
