

And the Angels Spoke

Filesize: 4.06 MB

Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

AND THE ANGELS SPOKE

[DOWNLOAD](#)

Innecircle Publishing, United States, 2005. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is dedicated to the Angelic Realm and spirit or God helping us all to enter a bright and beautiful healing world! I thank everyone I have ever met, good or bad, for my knowledge comes from All. FROM LIVING! A special thanks to those who saw me as a sane person not one who had totally lost it when my journey truly began. Their understanding and patience helped to heal me, giving me concrete evidence that there is a much larger force that surrounds us! I thank you! Being the intuitive person I am, I always knew that I was going to write a book, one entirely different from this one. I was going tell everything on everyone I knew, more like a soap opera type thing! I traveled a lot back then and had lots of sex and smut on everybody I was around. However, to my surprise, God picked me up out of my box and shook me up a little, dropped me to the ground and I started writing alright, about something I knew absolutely nothing about! I have been in four tornado s, struck by lightning, and had cervical cancer at 25 years of age. How s that for being a cat with nine lives? I have seen God and stood before His judgment and love and He has sent me back to do this work through Him. To live life to the fullest - to write this book for others. Read samples.
