Influenced by forces in culture and predisposed by factors in the human personality, narcissists tend to be More concerned with how they appear than what they feel Seductive and manipulative, striving for power and control Egotists, focused on their own interests but lacking the true values of the self -- self-expression, self-possession, dignity, and integrity Without a solid sense of self, which leads them to experience life as empty and meaningless In this groundbreaking study, Dr. Alexander Lowen uses his extensive clinical experience to demonstrate how narcissists can recover their suppressed feelings and regain their lost humanity.
