

Black Power: Three Books from Exile: Black Power/The Color Curtain/And White, Man, Listen!

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).
(Robyn Nolan)

BLACK POWER: THREE BOOKS FROM EXILE: BLACK POWER/THE COLOR CURTAIN/AND WHITE, MAN, LISTEN!

HarperCollins Publishers Inc, United States, 2008. Paperback. Book Condition: New. 198 x 135 mm. Language: English . Brand New Book. Originally published in 1954, Richard Wright s Black Power is an extraordinary nonfiction work by one of America s premier literary giants of the twentieth century. An impassioned chronicle of the author s trip to Africa s Gold Coast before it became the free nation of Ghana, it speaks eloquently of empowerment and possibility, and resonates loudly to this day. Also included in this omnibus edition are two nonfiction works Wright produced around the time of Black Power. White Man, Listen! is a stirring collection of his essays on race, politics, and other essential social concerns (Deserves to be read with utmost seriousness - New York Times). The Color Curtain is an indispensable work urging the removal of the color barrier. It remains one of the key commentaries on the question of race in the modern era. (Truth-telling will perhaps always be unpopular and suspect, but in The Color Curtain, as in all his later nonfiction, Wright did not hesitate to tell the truth as he saw it. -Amritjit Singh, Ohio University).
