Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

The quarterly journal of 21st Century Chinese Poetry was founded with the intention of introducing modern Chinese poetry to readers worldwide. Modern Chinese poetry was born from the broader intellectual movement that took place in China in the early part of the 20th century, known as the May-Fourth Movement (1917-1921); for the first time in history, vernacular Chinese was accepted as a legitimate poetic voice. Since then, nearly a century has passed by and this poetic experiment hasnt stopped evolving but only accelerated recently because of the easy exchange of styles and ideas over cyberspace. This is an eye-opening, exciting and even confounding experience for both the poets and the readers. The editor-and-translator team of 21st Century Chinese Poetry selects some of the best poems written in Chinese by todays poets from all geographical areas. This book combines Nos. 1 - 5 of the journal and includes 129 poems by 40 poets. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
