Nothing in her previous experience could prepare Lily for what she would encounter in Paris! When Lily befriends a French boy, Christophe, he quickly becomes her 'mission,' and she wants to help him in anyway she can. She really likes him---perhaps more than she'd care to admit---but there's the issue of his sister, who totally hates Lily and will stop at nothing to keep Lily from getting in the way of her plans. Finally, Lily discovers her true God-intended self, and as we leave Lily after fourteen books full of her growing-up adventures, we know her personal gift. And somehow we know she and God together will work out the details.
