iUniverse, United States, 2007. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. I guess what it all boils down to-even for us old couples-is that being loved after fifty is still important. Every week, seven women-newbie snowbird Melva, big-hearted Judy, sweet homemaker Mary Jane, pious Alice, good-time girl Lola, cocktail-loving Doris, and man-hating Vicky-meet for the Old Broads Breakfast Club at their wintertime retirement community in Arizona. But on one particular morning, Melva has had enough. She's done reminiscing about what life used to be like and ready to start living it again. And she's not the only one. The sixty-something retirees agree that it's time to boost the excitement and passion in their lives. Their joint efforts to spice things up include steamy romance novels all around, chick flicks, and even a naughty girls night out at a Chippendales show. But it's the women's individual romantic adventures (and comedic misadventures) that prove what's possible-at any age or stage-when you set out to renew love, rekindle spirits, and reawaken your dreams. Geezettes is a folksy, funny, and uplifting tale about what it really means to love and be loved, and how much rollicking fun retirement can be, when you grow into it with wild and wonderful, lasting friends.
