paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 327 Publisher: China Science Pub. Date :2011-08-01 version 1. Kuo Ming-music such as Probability theory and mathematical statistics is Normal University mathematics of probability theory and mathematical statistics textbooks. mainly including : the probability of random events. random variables and their probability distribution. the number of characteristics of random variables. law of large numbers and central limit theorem. sample and sampling distribution. parameter estimation. hypothesis testing. analysis of variance and linear regression analysis. The materials focus reflects the probability theory and practical application of mathematical statistics background. streamline. reduce some of the traditional content. diluted calculation skills training. to strengthen the theoretical basis of the training; selection of a large number of examples and exercises. each section according to the syllabus requirements and review needs . configure the appropriate exercises. Probability and Mathematical Statistics for institutions of higher learning in mathematics and statistics of professional teachers and students to use as teaching materials. but also for other relevant professionals for reference. Contents: Preface Chapter 1 1.1 probability of random events and random events and random test sample space and sample space 1.1.1 1.1.2 1.11.2 random events and computing the probability of exercise frequency and frequency 1.2.1 1.2.2 Definition of the probability of 1.2.3 define the nature of the probability of the classical probability model 1.3.1 Exercise 1.21.3 classical definition of probability model of the classical probability model calculations 1.3.2 Example Problem 1.31.4 geometric probability model 1.4.1 1.4.2 Definition of geometric probability model geometry probability model of conditional probability calculations 1.5.1 Example Problem 1.41.5 The definition of conditional probability multiplication formula 1.5.2 1.5.3 1.5.4 the nature of conditional probability and Bayes' formula for total probability formula for independence...
