I love Dellas sarcastic and yet deeply sensitive perspective and cant wait to see how things unfold for her. Fresh Fiction Just when Della feels like shes starting to figure out her life, she finds herself reborn and her new existence comes with a whole different rulebook. Dellas secret powers always made her feel like an outsider in the human world. Now, just when shes starting to feel like she belongs at Shadow Falls, a camp for teens with paranormal powers her life is turned upside down all over again. Attacked by a deadly virus, she must make the difficult choice to be reborn. Its her only chance at survival, but it comes with a price: It irreparably bonds her to Chase, a tall, dark and mesmerizing vampire who makes her laugh one minute and infuriates her the next. Chase already knows too many of Dellas secrets, and being eternally bonded to him is the last thing she wants. Even worse, she doesnt fully understand what their bond means. Is the attraction shes started feeling for Chase real or does fate have something else in store And what does that mean for Steve, the hot shapeshifter whose kisses make her weak in the knees Now Dellas battered heart is about to take another hit.
