Into what two great branches is the English law of property divided, and bow was it anciently divided? A. Into the law of real property and the law of personal property. The feudal rules which respected the holding and culture of land were the elements of the common law of real property; the rules relating to the disposition of goods were the origin of the law of personal property, which was, however, subject to the civil law in case of transmission by will or intestacy. The division of property into real and personal is comparatively of modern date. In ancient times property was divided into lands, tenements and hereditaments on the one band, and goods and chattels on the other. Q. Into how many classes were actions divided? Name them, and specify the nature of each. A. Into real, personal and mixed. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
