Brand New Book ***** Print on Demand *****.Excerpt from A Summary of Child Welfare Work in Pennsylvania Pennsylvania is far in advance of any other state of the Union in the magnitude and generosity of her investments for dependent, delinquent, and defective children. In the study here exhibited Dr. Slingerland has recorded no less than 210 institutions and societies organized for child welfare work. The state of New York comes next with about 188 institutions and child welfare societies. Comparison Of Eight States We have made as full a list as possible of the corresponding institutions and societies for the states of New York, California, Maryland, New Hampshire, Massachusetts, Ohio, and the District of Columbia, which show the largest relative amount of institutional provision for children, with the results shown in Table A. Pennsylvania s Liberality It will be seen from the statements in Table A that the state of Pennsylvania has invested in institutions for dependent, delinquent, and defective children, about \$6,000,000, an amount equal to about \$10 for every man, woman, and child in the common wealth.
