Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Lala has wisdom from an ancient and unknown tribe who are in the world bringing a sense of hope and help everywhere they go. The stories are often about how in her magical and mysterious way she helps others that are hurt, lost or in danger. Through the power of Lala, her friends are able to communicate with each other and with many other creatures of the forest and places where they travel in an unknown time. Some of Lala's unusual friends come from different far off lands. We join Lala and her tribe of friends for a while somewhere on their journey. For Mums and Dads: When we were young, we were all told stories of Myth, Magic and Hope, in one way or another. It's what parents do, for we realize that there is something special about children, they are awake to wonder, until they become immersed in our world of sleep-inducing pastimes, where they become occupied with things that are not always full of wonder. My kids heard different stories from what you will read in these pages, for the stories were always told in the immediacy of the moment, as it often is with kids, settling them down, getting ready for sleep. With many adventures, new characters coming and going as the years passed. The essence of the stories is the same, some fun, a little information, some excitement, a little magic of the forest and mystery of our world, a happy, funny or thoughtful ending. My kids liked the action...
